QUESTION

BEST VS. BENCHMARK:

Best Practice: Are the industry-recognized *strategies, methods, or approaches*. They are the *what* that good organizations do. Think of them as the *rules of thumb* or *established wisdom*.

Benchmark Practice: Are the quantifiable *results* and the *specific underlying processes* of a specific organization. They are the *how well* and the *how exactly* that an organizations operate, expressed through measurable performance indicators (KPIs, PIs).

BEST VS BENCHMARK PRACTICES

Is your organization Best or
Benchmark when it comes
to practices?
